

## **Novotny to participate in NYSBA program on construction site accidents**

F. Douglas Novotny (Partner-Albany) will participate in a New York State Bar Association program titled “Construction Site Accidents – The Trial of a Labor Law Case” on November 20. Doug will be part of the local presentation in the Albany area. The event is being repeated with other participants throughout the state.

Doug will be a speaker on the panel “Defending Construction Accidents: Indemnity, Partial Indemnity and Third Party Practice.” The event will be conducted at the New York State Nurses Association in Latham, New York.

The defense litigation practice maintained by Doug addresses all stages including trials and appeals in the areas of general casualty, medical and legal malpractice, construction and product liability. He has been in practice for 30 years and has tried approximately 75 jury cases and has had numerous non-jury trials, arbitrations, mediations and administrative proceedings. From 1979-1980, Doug clerked at the Appellate Division of the Third Department of New York State Supreme Court.
